## **In the know: Rightmove; Rolls-Royce; Wm Morrison; Elephant Capital**

### **Tiddler to watch**

Elephant Capital is investing \$10 million (£6 million) in Global Cricket Ventures, which holds digital and mobile rights to the Indian Premier League and digital rights to Champions League Twenty20 until 2017. Elephant, unchanged at 81p, said that the deal would allow it to participate in the growth of the online and mobile markets.
